APWA-Georgia Chapter Scholarship Procedures

Purpose: To provide annual financial assistance toward a college degree in the Public Work discipline to qualifying Georgia Public Works employees or their child, stepchild, niece, nephew, or grandchild. Each Chapter District Director is allotted \$2,500.00 per year.

GOAL: To continue providing quality employees in all Public Works service areas that will provide and maintain public utilities and services that are environmentally safe to all users.

SCHORLARSHIP AWARDS: Shall be awarded on an annual basis with one award per District (11 total) and a single award selected by the Chapter President as defined in the Georgia Chapter American Public Works Association By-Laws. If a district has no awards, then the remaining available scholarship(s) shall open to qualified applicants in other Districts and shall be selected by the scholarship committee in the current year.

ELIGIBILITY: Applicants are considered eligible if the following criteria are met:

1. A Public Works employee who has established a good record and is attending or planning to attend an accredited technical school, public or private college/ university pursuing a Degree in Public Works discipline. An employee can be classified as follows: Service worker, technician, laborer, supervisor, superintendent, administrator, or board member.
2. A child (or stepchild, niece, nephew, or grandchild) of a Public Works employee who is attending or planning to attend an accredited technical school, public or private college/university pursuing a Degree in Public Works discipline. It's preferred that students attend an instate school, but not required.

Disciplines include but are not limited to the following:

Engineering, Engineering Technology, Public Administration, Construction Engineering, Surveying, Management, Business, Finance, Political Science, MIS, GIS, Planning, Environmental Science. Disciplines other than the one listed may be eligible pending scholarship committee recommendation to the Board for approval.

Accountability: District Directors and President shall present eligible persons to receive scholarship award presented or approved at the annual meeting. Applications will be accepted only through the District Director and President. More than one application submitted to the President or District Director must be prioritized in that order.

Award Amount: \$2,500 shall be given annually to each District submitting an eligible candidate for a scholarship award. Checks will be mailed directly to the accredited technical school, public or private college/university upon documented enrollment.

Award Recipient Responsibility: Each person receiving a scholarship award shall be responsible for informing the chapter of the progress at the end of the scholarship year in which the scholarship is received.

Approved by the Executive Committee on - January 13, 2017.
